RE: Affidavit You Signed Regarding American Rights at Work

Dear Madam Secretary:

I write today to request a copy of the affidavit you signed during the confirmation process on your nomination to be Secretary of Labor. This affidavit regards your involvement in the organization American Rights at Work. This affidavit was mentioned in the article "Card-check advocate joining Obama's team" published in *The Hill* on April 24, 2009. The article indicates that the affidavit includes language stating that you "did not authorize funds to lobby lawmakers at the labor advocacy group."

I make this request in the public interest, in the vein of transparency that President Obama has emphasized. On January 21, 2009 the President made the following statement:

"Let me say it as clearly as I can: Transparency and the rule of law will be the touchstones of this presidency."

Please help fulfill the President's interest in full disclosure and provide my office with a copy of the affidavit.

Sincerely,

Bill Wilson
President
